Deployment & Hosting

Getting Your Website Live

What You Need

Domain Name: dialadriverhermanus.co.za
Status: Once Melanie (Kwikweb) transfers ownership to us, we can deploy immediately.

The Simple Process

1. **Transfer Domain** - Melanie transfers dialadriverhermanus.co.za ownership

2. **Deploy Website** - I'll upload the website files to your hosting

3. **Go Live** - Your website is now live and ready for customers

What Happens After Launch

- The website is live at dialadriverhermanus.co.za

- You can update photos, text, and contact info anytime

- I provide ongoing support for any changes needed

- Your customers can book rides and contact you instantly

Timeline

Once domain is transferred: Website goes live within 24-48 hours
